Narration: Long ago… the wicked Ganon obtained the almighty Triforce. The Triforce granted his wish for wicked power, and he became the King of Evil.

Narration: …Several centuries later, Ganon, under the guise of his alter ego Agahnim, tried again to overtake the Kingdom of Hyrule. Zelda, a princess bearing the blood of Sages, and Link, a descendant of the Hylian Knights, defeated Ganon and sealed him in the underworld.

Panel 2

Narration: They then hid the Triforce in a secret cave so that none could lay their hands upon it as Ganon had.

Narration: Time passed… and the story of the Triforce became a legend among the people of Hyrule…

Panel 2

Link: I need to bring this kid back to life somehow. That being the case…

Lilto: !?

Panel 3

Lilto: You… you can bring me back from the dead? …is it possible!?

Motone: I know you… young Lilto…

Page 113

Panel 1

Lilto: …how… you know my name…

Link: Lord Motone can see everything that happens in the land of the living. Even though he's so old…

Motone: Link, have you forgotten the old proverb, “The mouth is the source of disaster”?

Panel 2

Motone: Anyway. That aside, Lilto, I have something far more important to tell to you…

Motone: Listen very carefully to what I have to say…

Panel 3

Lilto: ………

Panel 4

Motone (Offscreen): The golden power of the omnipotent and all-seeing Triforce now lies in the hands of evil! Because of this, The Demon King Ganon is about to be resurrected!!

Lilto: !?

057

Page 114

Panel 1

Link: What… how…!?

Lilto: So… so the monsters in the village…

Panel 2

Link: I see… because of such evil, the Master Sword actually unleashed its beam… and for such a scrawny whelp…

Lilto SFX: Pissed off [Muka]

Panel 3

Lilto: Link, you’re such a stubborn jerk!!

SFX: fists flying and striking [Pokasuka]

Link: Only because it’s true!!

Motone: Hey!!! You two stop it right now!!!

Panel 4

Link: ………

Small Text (Link): Swelling [Puku]

Small Text (Lilto): Ouuuch…

Panel 5

Motone: Now… ahem! To make matters worse, the Triforce has been divided into three pieces. Three wicked men, each bearing one piece, have taken that power and have used it over the last few days to create a triangle-shaped zone in the Kingdom of Hyrule…

Motone: Moreover the three of them are expanding and strengthening the power of this triangle day by day…

Page 115

Panel 1

Link:…so you're saying we have to regain all three Triforces from them…

Panel 2

Motone: That is correct. If this continues, eventually no one will be able to make righteous wishes upon the Triforce!!

Motone: And if the Demon King Ganon himself were to be resurrected…

Panel 3

Motone: No matter who would try to wrest the Triforce from Ganon's control, none would be able to do so…

Panel 4

Link: ………

Lilto: Uwaaah…

Motone (Off-screen): However! There is one who could stop the fulfillment of Ganon's dark ambition…

Panel 5

Motone: Lilto. It is you and you alone!

Panel 6

Lilto: ………

Small Text: Hiccup [hiku]

Lilto: …uh…

Page 116

Panel 1

Lilto (Bold and Big Font): ME!?

Link: We have no choice, Lilto!! Only the owner of the Master Sword has any chance of defeating Ganon!! Even if it's a greenhorn like you!!!

Panel 2

Motone: A greenhorn? Are you so sure about reviving someone like him?

Motone: Just a moment ago Lilto was biting you and showing such an ill temper. I'm surprised you are vouching so much for such an impulsive guy, and one you just met!

Panel 3

Link: ....

Small Text: Ahem!

Lilto: ?

Panel 4

Link: …Yes, I am sure!! We need to revive him from the dead. Ganon must be stopped as soon as possible…

Motone: Hm. That is true…

Panel 5

Motone: One needs the power of a fairy in order to return to the land of the dead…

Panel 6

Motone: But you have used so much of the fairies' power!!

Small Text: You used way too much during Zelda II: The Adventure of Link!!

Link: Oh!?

Small: Is that right?

Page 117

Panel 1

Motone: There is one place where you can get a fairy. It is in a bottle here in Heaven.

Motone: But it's guarded by that troublemaker…

Panel 2

Link: Radaha?

Lilto: Really, honorable elder? There's a way to return?

Panel 3

Motone: …Radaha will not just hand it to me if I ask him for a fairy…

Motone: If you want the power of resurrection, you will have to challenge him to a duel and win!

Lilto: A… Duel!?

Panel 4

Motone: Lilto… This is the first trial that you must overcome…

Lilto: Is it possible?

Link: ………

Panel 5

Link: Don't get cocky!! You haven't unlocked the Master Sword's power just yet!!
